Professional Summary

I am a Software Development student at AUT with a Bachelor of Computer and Information Science. Transitioning from a 21-year career as a bus driver, I bring strong skills in reliability, time management, and customer service. I have hands-on experience with C, Java, C#, PHP, HTML, CSS, JavaScript, Node.js, AWS, MySQL, Next.js, Artificial Intelligence and more. Passionate about learning new technologies and solving complex problems, I am eager to contribute to a dynamic tech team. My skills also include Agile methodologies, human-computer interaction, and game development with Unity.

Skills

Programming Languages: C, Java, C#, PHP, Python, JavaScript, HTML, CSS
